Bridges

* 630 Q.—SRI R. S. VEERAPPA CHETTIAR (on behalf of Sri A. KUNJAN NADAR) : Will the Hon. the Chief Minister be pleased to state—

(*a*) whether the Government have received any representation from the public for the construction of the Perunchelampu bridge in Kothanalloor Panchayat in Kanyakumari district; and

(*b*) if so, the action taken thereon?

THE HON. SRI M. BHAKTAVATSALAM : (*a*) Yes, Sir.

(*b*) It was orginally expected that a causeway over the stream Thatcharakodayur would cost about Rs. 10,000 and that the same could be executed under maintenanee grant. It was however found not possible to execute the work under maintenance grant as the cost based on detailed estimate exceeded the limit of Rs. 10,000. The work could not also be taken up under the Local Development Scheme.

பெரும்பாக்கத்திலிருந்து, மேம்பாலம் ஒன்று கட்டி பாதை அமைக்க திட்டமுண்டா ?

THE HON. SRI M. BHAKTAVATSALAM : The work of construction a bridge at mile 4/7 on the road from Grand Southern Trunk Road to Perumbakkam in Chingleput district was originally included in the Second Five-Year Plan. But the work has not been taken up for execution during the Second Plan period due to paucity of funds. If the bridge work is considered as urgent, it will have to be included in the list of new works proposed to be executed during the Third Plan period by the concerned District Development Council subject to the condition that the ceiling amount fixed for Plan works for that development district is not exceeded.
